A Touch of Class
We thought the time would never come
When we would have to say goodbye.
But here we are at the end of
Our high school life.

Leaving you is never easy to the
friends we've grown close to.
But the time has finally come for us to
Go on our own.

Through the years we've come a long way,
And made special friends.
That's why it's hard to say goodbye,
When we've grown so close.

Many miles may separate us
From one another,
The memories that we have made
Will hold on forever.

The future holds so many things,
We all must take a chance.
To start a new beginning and
Carry on with our dreams.

Wherever life may take you,
Whatever you may find
I wish you the best of luck.
The Class of '85.

Dubois Centennial
1885-1985
August 29, 30, 31 & September 1

The community of Dubois will be hosting a centennial celebration commemorating the platting of the town. Dubois is a town located in the scenic Northeast Dubois County, Southeast of the Patoka River, and approximately five miles West of the Patoka Lake Dam.

After the names Kelso's Mill, Polson's Mill, Polsonville, Polston and Knox, the town was named Dubois in 1882, but first platted in 1885. The name Dubois was chosen in honor of Captain Toussaint Dubois, a Captain of the Scout and Spies in the Tippecanoe Campaign.

Captain Dubois was the first man to buy land in what is now Dubois County, although he never resided in the county.

Captain Toussaint Dubois, whose father was a French nobleman, was dispossessed by his father for failing to leave France and coming to America with General Lafayette. Captain Dubois found his way to Lower Canada at an early age. From Lower Canada he came to the territory of Indiana and soon became one of its prominent pioneers, a man of much influence both among the citizens of Vincennes and the red men of the surrounding forests. He was a gentleman of means, having accumulated a large fortune both in personal property and real estate.

On Monday, March 11, 1816, in attempting to cross the swollen Little Wabash River with saddle bags filled with silver and gold, Captain Dubois was drowned. The weight of the saddle bags was the direct cause of man and horse being drawn down. It is not known that his body was ever recovered, or if recovered, where buried.

After his own daring record as a frontiersman and his nobility of character, Dubois County, and the town of Dubois, created since his death, his most enduring monument. It is a noble monument to a noble man, and an honorable recognition of an honorable life.

Over the years the community has grown. In 1880 we find the following statement about Dubois: Poleson, Indiana, formerly called Knox, has three churches: Lutheran, Episcopal, and Methodist, a grade school, a water powered mill, semi-weekly mail delivery and a population of 100.

According to the 1983 Rand McNally & Co. Commercial Reference Map & Guide of Indiana, the population of Dubois has grown to 550. The community has three area churches: Lutheran, Catholic, Protestant, a school system comprised of a grade school, middle school, and high school, a wood working factor, a feed mill, an egg processing plant, an egg breaker plant, a supermarket, two gas stations, three taverns, two beauty shops, a barber shop, bank, medical and dental clinic, florist, post office, electrical contractors, and water and sewage system which make up the business part of the community.

They are responsible for general clerical duties such as checking in and out books, magazine circulation and storage, and general reference questions. In addition they are responsible for creating interesting bulletin board displays. This involves use of the 35 mm camera and work in the dark room in developing and printing their pictures.

Good-Bye My Friend

We gather here tonight to say our last goodbye to our friends. It's hard for us to say goodbye after sharing all the time as one.

Letting go was never easy, but we all must take a chance to start a new beginning and carry on with our dreams.

I'll always remember the fun times that we had growing up. (and) when we go on our own way, I'll miss you when you're gone.

Many miles may separate us far from one another but the memories that we've made will hold on forever.

Goodbye my friend till I see you again. Goodbye, I'll never forget. The special times we shared together as friends.

Do Yourself A Big Favor

Right now, banking is probably one of the last things you think about.

But still, the sooner you start, the better off you will be. Because it's the term that really makes the difference to you and your money.

Holland National Bank will welcome you as a customer. Here's a couple of ideas you might be interested in:

Savings Accounts. HNB offers you a variety of ways to save money. Each depends on how much you deposit and how long you can leave it with us. Obviously, the longer your money stays the more interest you will get. Interest is paid from day of deposit to day of withdrawal.

Checking Accounts. Just about everyone uses checks. They are the "easy way" to pay most of your bills. HNB has several checking type accounts.

Fancy, pictorial checks to plain everyday checks. We make it easy for you to get started the right way in your financial matters.

Borrowing money. Every now and then you might need a little extra money. Whether for a car, education or a future home purchase, HNB is ready and willing to give you a hand any way we can.

So do yourself a big favor. Come in, introduce yourself and let's get acquainted. At Holland National Bank...where you've got a friend on the other end.

Bob gives his all on the home stretch.

Allen, you're going the wrong way.

The three best fans Ever.
The 1984-85 Cross Country Team

The 1984-85 season has to be one of the most memorable seasons of my coaching career. It was a season of ups and downs and a season of uncertainty. Losing four of the top five runners from the previous year, 1984 definitely was a season for rebuilding. The team started out as expected with an average performance of the North Harrison Invitational. Under the excellent leadership of Seniors Bob Steffenagel and Allen Luembuhusen - the team improved from a mediocre team to become one of the strongest teams in Southwestern Indiana. The team defeated 14 other teams and ran great as a team.

The team closed its season with a combined record of 79 wins and 31 losses. The Jr. Varsity finished with a record of 28 and 16.

In regards to a thank you, the seniors Bob and Allen deserve a lot of credit. They hung in there in spirit even though they could not be of great value physically. Take some time to thank your parents for their sacrifices. They deserve much, but I'm sure a sincere thanks would be well appreciated.

Sincerely,
Coach Betz

Go For It
This year the Varsity volleyball team finished the season with an 11-9 record, 3-4 in the Blue Chip Conference. The girls won the Southridge Journey, 3-0, losing only one game in their three matches. Good hustle, determination and teamwork were always found out on the volleyball court with these girls. This year's team was led by seniors Missy Buchta; Outstanding Spiker, Audrey Mathies; Outstanding Server, Gina Knies; Best Offensive Player, Most Valuable Player and All Blue Chip Conference player, and Kim Stemle; Most Improved player. Also, without help from Stacy Hostetter, Mary Kluesner, Beth Seger, Lorrie Allen, Angie Sendelweck, and Marla Wendholt none of this season could have been possible. Each girl on the volleyball team should be congratulated for her outstanding play and fine effort.

Debbie Weidenbenner, Coach
The Jeeps JV volleyball team finished the season with an 8-8 record. Highlights of the season were third game overtime victories over Loogotee and Southridge. Team members were Vicki Reckelhoff, Ann Hochgesang, Sharon Schroeder, Valerie Sendelweck, Rachel Brosmer, Jennifer Cuse, Jill Hostetter, Chrisy Meehan, Amy Neukam, Jackie Neukam, and Sue Reckelhoff. Vicki Reckelhoff and Rachel Brosmer were selected by the team as co-most valuable players.
