A class by ITSELF!!!

All of us at NDHS have our own form of class. The seniors have their senior sweatshirts, which we wear with pride. The juniors have the responsibility of putting together the prom for the senior class. The sophomores design their own class jackets. And the freshman get the honor of showing off class rings that symbolize their initiation into the high school. The school has had a few additions such as the new incognito juice machine in the cafeteria. The school is also replacing the old green carpet with new brown carpet. In case you haven’t noticed the huge bushes in the front of the school are missing . . . was it vandalism or was it Mr. Bradley’s landscape and turf management class? You decide. As you can see from the seniors to the freshman we all display our own form of class.

Leading the Pack

Spirit Week

Spirit week was another big hit at Northeast Dubois. This has been the fourth year for Spirit Week now. They didn’t have the locker and car decorating this year, but it was still a huge success. The homerooms could gain points by sports events won, dress-up days, door decoration, and skits. The dress-up days were western day, 50’s & 60’s day, pajama day, and blue and white day. The sporting events were the always tough, tug-of-war, won by Mr. Gregor’s freshman homeroom. The volleyball tourney won by Mr. Mill’s room. The Spirit Run was won by Mr. Haworth’s room. Finally, the anything-goes was won by Mr. Schipp’s room. The skit was wrapped up by Mr. Gregor’s room, while the door winner, still “leading the pack” was Mr. Haworth’s room. In the final standing Mr. Haworth and his senior homeroom came out on top while Mr. Verbal’s junior class came in second. In third place was Mrs. Denbo’s senior class. In fourth place was Mr. Mill’s senior class. Coming in fifth place was Mr. Schipp’s junior class. In sixth place was Mr. Gladish’s sophomore class. Seventh place belonged to Mrs. Parr’s freshman class. In eighth place was Mr. Gregor’s freshmen class. Ninth Place was wrapped up by Mrs. Meredith’s junior class. In tenth place was Mrs. Acuff’s freshmen class. Eleventh place belonged to Mr. Elliot and his sophomore class. Finally in twelfth was Mr. Kline’s sophomore class. At the pep rally the final’s in Tug-of-War and Volleyball was played. The band played the school song and the cheerleaders did various cheers. The teachers performed a skit of Mrs. Schulties having her kid. Mr. Stullman was the surgeon while Mr. Gregor acted as Mrs. Schulties. The classes also had a wheelbarrow race.

BENDING the RULES

Even though rules are established to protect students, the seniors felt compelled to do a little bending. Since our freshmen year, rules have been established, banished, and always broken. Even before we entered the school building the long arm of the law (Mr. Wahl) is watching. In the parking lot, just as a popular country song says “Keep it between the lines” we are restricted to do so. For those who don’t remember, there used to be a smoking area designated behind school but was banished our sophomore year in 1990. To this day, there’s still a few rebels who try to sneak a smoke before class, but Mr. Kline is always on the prowl to catch those students. There have been a lot of restrictions on the way we dress through the years from our concert T-shirts to holes in our jeans. The penalty for bending the T-shirt rules, if caught, would be the embarrassment of wearing their shirt inside out. So long as rules still exist students will always be bending those rules.

One of the notorious rule benders at Northeast Dubois High School is Chad “Wiener” Winger. “Wiener” has had a lot of practice bending the strict rules here at NDHS, and has done his share of time in detention. Wiener is looked up to by underclassmen who can only dream of becoming #1 on Mr. Wahl’s most wanted list.

The famous senior “smoking gang” sneak a quick drag before class. (This was fabricated for your amusement.)

State Champs

Spell Bowl

The 1992-1993 Spell Bowl Team had a very successful season. Practice began the first week in September. Team members would practice before school, after school, or during their study hall. At the Blue Chip Conference invitational, Northeast Dubois placed first. The invitational was held at South Knox. It was the same story at Paoli. On Tuesday, October 20, Northeast Dubois placed first, correctly spelling 68 out of 80 words. This impressive performance secured the Spell Bowl team a place at the state competition. By spelling 74 out of 80 words correctly Dubois won the Class 4 state championship. The state competition was held on Saturday November 14 at North Central High School.

African American Experience

Academic Bowl

Congratulations to the Science Team for qualifying for state competition which was held at the Warren Center for the performing arts in Indianapolis on May 1st. The Science Team qualified for state by taking first place at Vincennes on April 20. They got eighteen out of the twenty-five questions right. The team was coached by Mr. Mark Verble, Mr. Kevin Stallman, and Mrs. Connie Himesel.

The topic for the competition this year was the "African American Experience". The Science Team studies electricity, charges in electricity, currents in electricity, physics, blood, biology, and famous African American scientists.

Going to Extremes

Student Life

There are many different types of people at NDHS, but some take it to the extreme! This year prior to baseball season many of the male students chose to shave their heads with many different designs, while other students have extremely long hair. There are also a few students here who are dedicated to getting good grades and turning in their homework on time. However, other students who are not so dedicated to their studies have been known to fall asleep at the thought of any teacher’s lecture. Students also come in many different shapes and sizes. Ranging from the extremely tall to the very short. Many different fashion statements are made by students. These extremes are what make NDHS what it is today DIFFERENT BUT GOOD!

Outta' Class

Student Life

Through the years students at NDHS have come up with all sorts of deceptive excuses to get out of class. Although, there are a few occasions when it is not necessary for students to use their scheming abilities to get out of class. There are many extracurricular activities that take place both during and after school that many students participate in. Students who cannot find the time to pick a school sport choose to participate in intramural sports when they can fit it into their tight schedule. Over the summer months, French students got the chance to go overseas and get a taste of life in Paris. The Student Council also holds several convocations throughout the year in which students are able to get out of class to watch, and sometimes participate in. Many of the teachers try to find time to get away from the routine classroom work and arrange for the students to go on field trips. Students sometimes learn more outside the classroom than in.

The 1992-93 Northeast Dubois Basketball Homecoming was held on February 5, 1993. The queen crowning was held between the JV and Varsity games against Washington Catholic.

The announcer for the evening was senior Alicia Jahn, student council Vice-President. Mr. Pennington provided the music and pictures were taken by Mr. Robert McCarty. The dresses were made by Barbara Mohr. The ball carrier was Michael Meyer, son of Greg and DeAnn Meyer. The crown carrier was Channing Friedman, daughter of Terry and Denise Friedman.

The underclass attendants dresses were made of red spandex. The dresses were long slim dresses, with shirred bodies, the dresses were off the shoulders with long sleeves. Their escorts wore black tuxedoes with bow ties and a red cummerbund. The underclass attendants and escorts carried long-stemmed white roses. The seniors dresses were made of white Sata-Prema. The dresses were long with appliques around the neckline and across the bodies. The waistline was accented with a pleated diagonal sash. Their escorts wore black tuxedoes with tails and black satin cummerbunds and bowties. The senior attendants and escorts carried long-stemmed red roses.

The background consisted of six red cracked-ice long stemmed rose buds with a large full red rose in the center of the stage. Black and silver diamonds accented the chairs and across the top of the stage. Mrs. Julie Parr and the art students helped construct the stage. A special thanks to sophomore DeAnna Perkins and senior Melody Danzer for staying late and putting the finishing touches on the stage.

The third annual Holiday Ball took place on Tuesday, December 22, at the Celestine Community Club. The night was cold yet it was better than the last two years. The ball was from 8:00-11:00 P.M. It was a huge success.

The Sound and Light Crew provided the music for the evening. They played a wide range of music from rap to rock to country. The photography background was made by Student Council. Robert McCarty took pictures for everyone who wanted them.

Senior Tandra Bonifer was crowned queen by junior Scott Brosmer. Senior, Clint Wininger was crowned by senior Alicia Jahn who stepped in for junior Mary Merkel.

Many of the school faculty members came to spread their Christmas cheer. Sophomore Lana Freyberger’s dad, Leroy Freyberger, disguised himself as Santa Claus and passed out candy canes to everyone.

The Beat Goes On

Blacklight

The Show Choir presented "The Beat Goes On" Sunday May 2, 1993. The program was a combination of nine individual show choir acts and eight songs from the student body. Special guests Steve Rottet, Ray Brinkman and Eugene Kieffner presented a skit as parents.

Brian Kluesner and Bill Smith served as emcees. Spot lights were handled by Amy Hopper and Deanna Perkins. Mr. Steve Winingel worked the sound board and Mrs. Julie Parr painted the backdrop.

The performance was started off with a brother duo of senior Jason Hulsman and freshman John Hulsman and ended with a medley of song and dance by the twenty-member show choir. The Show Choir was under the direction of Mr. Donovan Pennington.

Right: Being part of the finale are senior Clint Winingel and junior Brian Kluesner.

Dorothy Meets Alice
Musical

This year marked the third musical presented by the show choir under the direction of Mr. Donovan Pennington. It was entitled "Dorothy Meets Alice". As you might have guessed it was a combination of "The Wizard of Oz" and "Alice in Wonderland". Senior Kevin Weisheit was the main character as Judson while Natalie Giddens, Crystal Denu, Angie Hemmerlein, and Anissa Smith also had big parts as they played the parts of Dorothy, Alice, the Red Queen, and the Wicked Witch of the West, respectively. And, of course, none of this would have been possible without the help of seniors Clint Wininger and Stacy Stafford and sophomore Melanie Blackgrave as stage hands.

Above: Ready to duke it out with anyone who gets in his way is junior Brian Kluessner, playing the part of the door mouse.

Above right: Doing their best to make the Musical successful are juniors Jody Lorey, as the Mad Hatter, and Crystal Denu, as Alice, as they compromise over a problem.

On the warm May night after the makeup was put on, the tuxedos were pressed out, the dancing shoes put on and dates were picked up for the most wonderful night of the high school student’s life—Prom ’93. The junior class presented “Wonderful Tonight.” The Prom was decorated in a city night theme at the Jasper Knights of Columbus. The prom song was Eric Clapton’s “Wonderful Tonight” which was provided by Boogie Tunes.

The colors that were chosen for Prom were emerald green, black, and gold with the flower being a rose. At the end of Prom most went home to hang up their dresses or tuxedos and attended the Post Prom. One thing can be said, it was a “wonderful night”.

After the Prom, there was a Post Prom held in the high school gym from 12:00 am to 4:00 am. The theme was "Let the Games Begin". The activities went along with television game shows. Approximately 100-125 students from our school participated. The top prizes were five hundred dollars cash won by Tara Greener, a television won by Brian Kluesner and a VCR won by Steve Petry.

Focus Staff

The 1992-93 focus staff published eight issues of the school newspaper. There were no designated editors. Everyone shared the responsibilities of publication deadlines. Each group had to complete two full-spread layouts for each issue. Mr. Gladish is serving as the Focus Advisor once again.

Rocking the World

The newest club at NE Dubois was formed in Nov. - The Environmental Club. The idea came about through juniors Kellie Harner and Crystal Denu. The club was formed to get recycling projects started at the school, plus displaying a bulletin board on environmental concerns. The club is looking to expand their membership for next year.

Again this year the Sound and Light provided music for all the high school dances after the ballgames. They also provided the entertainment for Holiday Ball.

The members were responsible for setting up the equipment and selecting the music for each occasion.

Working With Others

The Library Club sold candy this year for a fund raiser, with this money they bought new books for the school library. There were ten seniors that had the opportunity to go to the elementary schools and read to the younger children. The children enjoyed being read to by the high school seniors.

The Student Council continued their service projects, such as the Red Cross blood drive. The Student Council also paid for all the convocations that were held this year, held dances after every home basketball game and also sponsored the Holiday Ball.

Improving Ourselves

The Beta Club sold candy bars this year for a fund raiser. The money they collected helped pay for their trip to North Carolina in July where they attended the National Beta Convention.

The Substance Abuse visited the St. Joseph Hospital along with other surrounding schools. They also were very active in "drug free and proud" awareness week where everyone was proud to wear a red ribbon to show they were drug free. During this week some of the Substance Abuse members went to the Elementary and talked to the younger students about how bad drugs were for you.

Striving to be the Best

During this school year the boys FCA were involved in helping out with the younger students of Dubois with a basketball camp. Also during the Christmas season they held an arm wrestling contest during both A and B lunches, to raise money for the angel tree at Watsons.

The girls FCA sold Tom Watt to raise money for the purchasing of sweat shirts and sweat pants. The president is Sherry Luken and vice president is Karen Kalb.

Future Preparedness

The FHA had a busy time this year. Some of the many activities they were involved in are the Easter egg hunt contest for the little kids of Dubois. Also, they went trick-or-treating to help support the March of Dimes.

The BPA were involved in several activities this year. They were as follows: banquet and installation of officers, fruit sale, Christmas party for special children, District Conference, State Conference, and end of the year dinner at Split Rail Restaurant.

Below left: Helping Santa give out gifts are BPA members senior April Hall and freshman Angie Schnell.

Creative Skills

The Art Club tried something new this year by holding the first ever Christmas art workshop. It was held in December for the elementary school children, and was a big success. The students decorated cookies, made x-mas ornament, cards and gift wrap and played Christmas games.

The Future Farmers of America have been working on the school grounds to make it more attractive and they also went to the National Farm Show, which was held at Columbus, IN in the Fall. The Farm Show drew 100,000 people and featured many demonstrations and displays.

The French Club held a raffle this year. The person who won received a free car wash from Mr. Wahl and some of the teachers. The money went to pay for the annual senior dinner.

The German Club attended the State Convention in Bloomington. Chad Gudorf placed third in a t-shirt contest. They also sang German songs to some of the nursing home residents at the Providence Home in Jasper.

City of Angels

Bigger and Better

Band

The 1992-93 Band was the largest NE. Dubois High School has ever had. The Band consisted of 102 hard working students. Leading the Band with style was the field commanders, seniors Amy Schepers and Brian Harrison along with eight other seniors. Mr. Pennington commented this was "the best playing Band we’ve ever had."

Band season opened with a full week of band practice on NDHS grounds before summer band camp. The goals for the Band were to put together the best show possible and to be competitive. With lots of hard work the Band was in the top three in every show. In stand-up competition at Central, Dubois came in first beating Springs Valley, who was second in the State. The music was taken from the play “City of Angels” which is classical jazz. The Band took a field trip to Louisville to see the play “City of Angels” in order to understand the music. The Band hired out the Drill and Music, which gave Mr. Pennington more energy to do the teaching. Kristi Boeglin was in charge of flags and Troy Wenning was in charge of percussion. The Band had a great season finishing with 13 trophies.

Echo Staff

This was a year of firsts in yearbook class. It was the first time that they had three editors, seniors Melanie Doty, Angie Gould, and Becky Lampert. Senior Matt Fromme handled the darkroom and junior Tara Greener did the computer work. The yearbook staff introduced nova color into the colored section, graphic design paper behind the senior photos, new layouts for the club section and computer-aided artwork done by Becky Lampert.

Yearbook class not only taught students how to take pictures, it also helped them to learn a little about marketing. In order to publish the yearbook, each member sold ads to raise $2800. In addition to selling ads, everyone learned about layout design and using the darkroom.

The Echo staff completed a training workshop at VUJC sponsored by Herff-Jones. It was coordinated by yearbook representative Steve Pumphrey, and the classes were taught by photographer Robert McCarty and design was instructed by Betty Thomas.

Ravaging the Net

Boys Tennis

Young but determined, the boys tennis team did an exceptionally good job this season. The team finished second in the Tecumseh Tournament. Because there were no seniors to lead the young team, teamwork played a major factor in winning. Coach Verble comments that "we had a young, but hardworking team, and everyone should look forward to next year."

The most improved player award was given Roy Beckman, who along with Kyle Werner played number one doubles. The number one singles player, Jason Knies was awarded most valuable player, and Jeremy Schipp came away with the most wins for the season. Bryant Allen along with Jarrod Beck were awarded the mental attitude awards. The team placed third in the Blue Chip Conference.

Run “fer” the hills
Girls Cross Country

"We put a lot of hard work into practicing, and it paid off with a trip to Semi-State." - Alicia Jahn

The 1992-93 season for the girl’s cross country was well worth the effort that the girl’s put into practice. The girl’s had nine wins, with a winning record and a lot of hard work the team made it to semi-state for the second year in a row.

Leadership for the team came from seniors: Alicia Jahn, Amanda Kieffner, and Sherry Leuken. Receiving the MVP award was Alicia Jahn, she was also the Practice Queen. The outstanding freshman/sophomore award went to April Stetter and Marie Weyer. The most improved award was given to Angie Hemmerlein. Sherry Leuken received the mental attitude award. The six girls that made the All-Conference team were: Alicia Jahn, Jamie Brosmer, Marie Weyer, April Stetter, Mary Merkel, and Aimee Stetter.

Alicia Jahn set the Dubois course record against Forest Park in a dual meet. She also led all finishers with a time of 15:20. Five of her teammates finished in the top ten.

Reclaiming the Title

Boys Cross Country

The 1993 Cross Country Team reclaimed the Blue Chip Conference title. The team was favored as the Sectional champions but the title eluded them by three points placing them second out of eleven teams.

Coach Betz commented that they had a very good team that got along very well. The top five runners were: Steve Petry, Rodney Wolf, Ryan Matheis, Daniel Hall, and Ryan Jahn. The team finished with a 135-27 record for the season. Coach Betz stated, the teams highlights this year were: winning the Dubois Crawford Inv., Shoals Inv., and the Blue Chip Conference.

Coach Betz would also like to thank all of the parents and team members. Coach Betz said, “Steve Petry really became a leader for the team this year and Clint Wininger really came on as a runner.”

Working Hard Together

Girls Varsity Volleyball

The Varsity girls Volleyball team tied a school record for games won, and also beat Shoals. They played a very tough game against Southridge on Senior night and won. The team worked really hard at getting along this year. "I really enjoyed the season because of that. I also feel good about all of the accomplishment's we made and how well we improved. This team has grown personally as well. I wish them the best in the future" commented Coach Debbie Gladish.

The Senior members of the Varsity team were four year volleyball veterans. They were April Hall, Stacy Stafford, Tina Reckelhoff, Brandi Striegel, and Dawn Terwiske.

April Hall-MVP was presented this award and the assists award, Janel Schroering received the serving award, Mary Sue Linne earned most improved and hitting, Tina Reckelhoff received the defense award and Dawn Terwiske the mental attitude award. Mary Sue Linne made the all-sectional team the first time for Northeast Dubois High School. April Hall made the all-conference team as a setter.

Varsity Volleyball
The junior varsity coach Karen Acuff commented, “The team did rather well considering we only had two returning J.V. players and the remaining nine players consisted of seven freshmen and two players who just started playing this year.

The team played well in the J.V. Tournament at Southridge even though three of the starting players were out and one player played with a broken finger. Anissa Fisher was nominated by the team as captain, but all the other girls switched off as co-captain with her to get leadership experience. Misty Sendelweck got the Serving Award with a total of seventy-five serving points this season. The MVP Award went to Anissa Fisher. Anissa was one of the setters this year. This involves a lot of moving on the court and has to be there with good sets. Anissa handled this well and was voted to MVP by her team and coaches.

**Girls JV Basketball**

The Girls JV Basketball team had an excellent season. They finished with a 14-4 record. One of the season highlights was beating North Knox. Coach Neukam commented, "they have a very tough varsity. I was happy that we beat them at the JV level." She also said that in a few of the games everyone on the team scored, since she liked to see balanced scoring.

Coach Neukam also said that the team had accomplished many goals. These goals includes that they had a winning season, getting runner up in the JV tourney, and improving tremendously throughout the season.

The most improved award went to Misty Sendelweck. While the free throw award went to Brook Hall. When asked to give one work to describe her team she gave the word "Ameliorative" and said to look it up.

Improving Through The Year

Girls Varsity Basketball

The Girls Varsity Basketball ended their season with ten wins and nine losses, but they had eight wins and only five losses over the last thirteen games. This year the girls improved greatly from the beginning of the year to the end of the year. "Improvement was their main goal and they definitely achieved that goal," commented Coach Jerry Mills.

The Girls Basketball awards went to senior Karen Kalb-Most Valuable player and the Assists award. Junior Aimee Stetter received the Most Improved award. Sophomore April Stetter was presented with the Free Throw award. Mary Merkel received the Defense award and she also qualified for the Honorable Mention All Sectonal awards. Mary Sue Linne received the Rebounding award, Highest Field Percentage and Most Outstanding award she also received this award her freshman year. She also qualified for the All Conference.

This year's team best remembered game is beating Orleans with a score of 82-6.

"This past season was one of my most enjoyable seasons here at NDHS. Throughout the year we improved greatly; considering our inexperience. Next year's team will be even bigger and better yet." - Aimee Setter

Left: "I think that this year was definitely a good year to end on. Each member of the Varsity and Junior Varsity played and acted like a team. Everyone got along and did what they could to make it a great year. Teamwork is what made this team what it is today. The coaches were great along with the underclassman. Being the only senior in Sectional was hard, but knowing Audrey was there cheering us all on just like always was a great feeling." - Karen Kalb

Fundamentally Sound

Freshman Basketball

Under first-year coach Mr. Stallman the freshman team had an outstanding season. Despite having only eight players to work with, Mr. Stallman coached them to a 13-2 record. Keeping fresh players in the lineup was a definite concern of Mr. Stallman as he used his timeouts wisely. One of the highlights of the season was beating the achieved Loogootee Lions and handing Forest Park two losses during the season. Mr. Stallman commented that “the freshmen are better fundamentally and shoot the ball much better” than compared to the middle schools he coached last year.

There was only one award given out to the freshmen and it was awarded to Blake Kalb for the highest free throw percentage (87%). Other individual highlights include Steve Betz’s season high of 20 points against Southridge along with his average of eleven points per game, the highest on the team.

Left: Keeping an eye on the ball is freshman Kurt Werner as he plays some tenacious defense.

No Letting Up

J.V. Basketball

The Boys JV Basketball team did a great job. They finished the year with a 12-7 record under first-year coach Mr. Haworth. Last year Mr. Haworth coached the freshman team and said that on the J.V. level there is "more responsibility, scouting, preparation, and involvement with the varsity program." Mr. Haworth also said that this team was special in that most teams would have had a let-down after getting beat in the J.V. tourney. That was not the case for this team. They did not let up and finished the season off strong by rattling off four straight wins.

As for individual highlights, Mark Schroering led the team in field goal percentage (54%) and rebounds (112), and he also received an award for outstanding freshman-sophomore. The free-throw award was won by Jeremy Schmitt. Kyle Werner had a team high in steals (37), and Jeremy Schipp led the team with 33 assists.

Right: Going in for a layup and two points is, number 14, sophomore Adam Knies.

Playing to Win

Boys Varsity Basketball

The 1992-1993 boys varsity basketball season was one of the most successful in the school's history. The 16 wins and 4 losses ties the best regular season record. This team was also the first to be ranked statewide. They received a ranking of 16th when the Jeeps defeated 4th ranked Paoli. This marked a victory over the highest ranked team ever by Northeast Dubois. The team's 4 seniors Jay Brinkman, Lance Pieper, Dustin Cave and Kevin Kalb showed great leadership which helped the team. The Jeeps started the season very well, but hit hard times after Christmas. They overcame their problems and won 5 straight games before falling to Forest Park in Sectional.

The 1992-1993 Basketball Awards Banquet was held on March 15, 1993. Kevin Kalb received the Most Valuable Player Award, Leading Scorer and Assists Award. Lance Pieper received the Defense Award. Dustin Cave also received the Defense Award as well as the Most Improved and Highest Free Throw Percentage Awards. The Charlie Skagg's Mental Attitude Award was won by Jay Brinkman. The Field Goal Award was won by Derick Stenftenagel. Rodney Wolf received the Rebounding Award.

Qualifying for Nationals

Cheerleading

The Cheerleaders held a private cheerleading camp at the high school in which a representative for the Cheerleaders of America attended. The Varsity squad qualified for nationals but they could not make the trip because they had to have ten members. Renee Neukam individually tried out, she was selected to go to the nationals. At the camp, varsity member Amanda Kieffner, JV member Renee Neukam, and freshman Jennifer Pankey received outstanding individual trophies.

Over the summer the varsity cheerleaders went to the Indiana State Fair to watch the cheerleading competition while the JV cheerleading squad participated.

Two seniors on the Varsity squad Al-icia Jahn and Amanda Kieffner have been cheering since the sixth grade. Senior April Hall has been cheering for the past two years. The cheerleaders painted signs for the basketball games and sold shirts as a fundraiser. They also held a bake sale in order to help Renee Neukam go to National competition on March 19 in Jacksonville, Florida. Renee scored 75% of all total points available at national competition, there were 80 participants in Renee’s group. Coach Janis Dodd felt that Renee did very well. Renee said, “I was very honored to represent the school for the first time in a national competition and it was an experience of a lifetime, and I had a lot of fun.”

Below: Looking at the final minutes of sectional, is senior Alicia Jahn.

Serving for Victory

Girls Tennis

The 1992-1993 Girls Tennis season was a success. Their goal this season was achieved. The girls were named Co-Champions of the Blue Chips Conference. They shared the championship with the Forest Park Rangers. The team had a good mixture of more experienced and younger members. There were 2 seniors and 3 juniors to go along with 2 sophomores and 5 freshmen. The underclassmen learned from the experience of the older members and the upperclassmen showed their leadership. Throughout the season the team showed improvement as they gained experience. The doubles teams learned how to work together as a team as the year progressed. On May 26, it was announced that four members of the Northeast Dubois High School Girls Tennis Team had been named to the Blue Chip Conference Team. Named to this team were Melanie Blackgrave, Tracy Meyer, Brandi Striegel, and Tandra Bonsier. The Lady Jeeps finished the season with a record of 8-7.

"For having a slow start with all the rain this season, we still came through and improved throughout the season. We also accomplished our goal by becoming Co-Blue Chip Champs."—Junior Heather Wortinger

Boys Golf

This year's golf team was one of the largest teams we have had here at NDHS, it consisted of nine members. Senior Scott Sendelweck received the Putting Award and the Most Valuable Player Award. Junior Bryant Allen received the Most Improved Award. Juniors Daniel Hall and Michael Seger both received the Mental Attitude Award.

During the Sectional at Jasper Senior Scott Sendelweck shot an 88 and Junior Bryant Allen shot a 94. The team placed 11 out of 13 and turned in their best 18 hole score of the year.

The entire team put forth their best effort and did a great job of contributing to the team spirit. Coach Stallman commented that "the team improved greatly during the year, with our best during sectional."

Above: The two senior of the 1992-93 golf team are Scott Sendelweck and Dustin Cave.

Baseball

The 1993 boys baseball team has had the best record here at Northeast Dubois High School since 1988. The team finished with a record of 13 wins and 12 losses. In the Blue Chip Conference the team had a 5-3 record. The team had its share of ups and downs, but managed to remain competitive and keep good spirits. Unfortunately they were eliminated in their first game at the sectional held at Jasper.

The baseball awards went to Senior Doug Lampert who received the Most Valuable Player Award. Junior Kyle Werner got the Pitching Award and the Batting Average Award with a (.318) average. The Most Improved Player Award went to Junior Adam Livingston. Getting the Mental Attitude Award was Junior Jason Knies. The Team Captain Award went to Jeremy Schepers. The JV Award went to Kurt Werner.

Graduation ceremonies were held for the Class of 1993 on Saturday, May 29 at 7:00 pm. The gym was filled with seventy-five eager, yet sad graduates who had many tough decisions to make in the future. The Class of 1993 had to make a decision to make that no other class had had to face. Should they have a prayer, a tradition that had always been observed? The class had voted to have a prayer even though this issue had raised legal questions in the court systems. Trever Roach and Tandra Bonifer led the prayer.

Speeches were given by Valdictorian Doug Lampert and Salutatorian Tina Reckelhoff and Class President Kevin Weisheit. The Show Choir sang “Friends” accompanied by Mr. Donavon Pennington on the clavinova. The diplomas were presented by Principal Mr. James Wahl and School Board President Mr. Larry Lorey. Board member Mr. Eugene Bonifer presented his daughter, Tandra Bonifer with her diploma.

One very special graduate that this years senior class was very honored to include is senior Filip Filiposki, a foreign exchange student from Yugoslavia.
Right: "I Wish they would get started" says Steve Petry to Lance Fieper.

Right: "I can't believe we made it" remarked Ricky Emmons.

I live in a box, it has come so soon. I'm nearly helpless, things come easy to me.

A tiny box, transed with a spoon, I'm never alone.

With circles & circles, and dots & dots.

I need to establish some responsibility, if ever on my own.

I'm a senior in the class of 93. I'm hard but it is hard.
