Painting faces for Art club at the Christmas Party sponsored by Kimball is senior Jamie Schroering.

Showing what good friends they are: freshmen Lindsay Strotman and Brandy Allen.

Picking on Mr. Hochgesang during Industrial Arts is senior Jeremy Zehr.
There was a big commotion after the band found out they got a Division 1 rating at District. Now the band plans to go onto Regional.

The freshmen Luke Friedman, Julia Nathan, Clayton Ziegler, Angela Schepers, Jason Hall, Eric Padgett, Stephanie Cave, Matt Kates had control over the sophomores after they won. Now they are scrambling to get back on their feet after they ultimately lost to the seniors.

These seniors can jostle a lot sometimes but when it comes down to athletics they classify as a team. Pictured in their letter jackets are Ashley Smith, Jayme Munday, Adam Scherla, Atle Schroring, Sarah Betz, Eric Balka, Mark Gadlage, Abby Laux, Audrey Kempf, John Neukam, Sam Rascher, Janette Seger, Chris Mathies, and Travis Hagedorn.

Although this locker is messy because it is a track locker they still placed the yellow bottles in a row.
Organized chaos

For the 2000 - 2001 school year, we thought that our school is like an oxymoron. An oxymoron is a rhetorical figure in which an epigrammatic effect is created by the conjunction of incongruous or contradictory terms. So therefore, we thought ORGANIZED CHAOS really describes our school. Some things we do may be chaotic but when it comes down to a race or a match we always have it organized and together. For example, during Spell Bowl practices they have marker fights and sometimes goof off, YET they have won nine consecutive state championships. Do you remember the day when it started snowing and everyone was wanting to leave early and the office was total mass confusion because everyone was running around trying to get permission to go home, and then we were released early anyway. If you have ever been to a girl’s or boy’s sectional game, you would say that it is chaotic because everyone is cheering and is dressed up and whether we win or lose we always show school spirit.

-Stacey Petry and Brooke Merkel
Organized chaos

As we looked at the student body, we have found that some of the students are well organized and the some are chaotic. We thought we should give you a couple of examples of what we have found. If you have ever been inside or seen the inside of Bethany Mullen’s car you probably would think that she lives there. If you were ever around Kira Stone you would find out that everything in her room has a place of its own. How would you rate yourself? Do you think that you would be organized, chaotic, or somewhere in between.

- Stacey Petry and Brooke Merkel

Using plastic gloves for other things besides mixing plaster for a sculpture are seniors Justin Husman and Travis Hagedorn.

Coming into a new place with all new people can be pretty scary. Although, this year’s freshmen class doesn’t seem to have a problem with it. The term “Little Giants” best describes the freshmen class because they are the youngest and sometimes the shortest, but they are the largest class since 1985.

Inside of the large freshmen class are four sets of twins. The ‘Terwiske’ s, the ‘Jahns’, the ‘Mullins’, and the ‘Padgetts’ make up this unique group. Being a twin can be hard, but they seem to handle it very well.

Being a freshmen can be tough. You are too old to get away with things you used to, but too young to do what you want. One year down, three more to go!

-Audrey Schepers & Cheri Denu
You know you are a freshmen when...

Tessa Terwiske
"They don't say your name. They call you freshman."

Chris Mullins
"You do stupid things because it makes you look good."

Holly Wiscauer
"There's no good food left when you get to the front of the lunch line."

Megan Green
"Everyone in the room is older than you and stares."
Relaxing during lunch are freshmen Jill Beckman, Laciee Peek, and Leiah Evans. Freshmen are often seen lounging around during lunch in small groups.

"Half Complete" with his high school career is Thomas Kraemer.
As the Sophomore class proceeds through the year and into the summer they are half way done. The class realizes that half of the high school career is almost complete.

Now experiencing the feeling of driving and just hangin’ with friends, they don’t want to miss a thing. Begging for longer curfews or just staying the night at a friends house, is asked often by the class. Wanting the perfect car so they don’t have to ask upper classmen to their destination.

This crazy and new experiencing class have great times with their peers. They enjoy everything completely. Realizing that their adolescents is complete and that they have more than half of their life ahead of them.-J. Potts, A. Heeke, S. Betz, and A. Nathan

The Class of 2002 is a very close group of friends. This class is “terribly good” because of their mischievous behavior and support for one another. The Juniors rely on one another as if they were family rather than just friends. As this school year went on, the Juniors surpassed many obstacles and through all of that became even closer than before.

Juniors get some privileges, like the fact that they get to pass underclassmen at lunch. They still get picked on quite a bit, like when Leslie Friedman gets picked on for still looking like a freshman, and in U.S. History, they play Current Events and Michael and Brittany compete over who can answer the most Classic Rock questions.

What will you do on your first day out of school?

Christy Wigand
"I'm going to be taking my written driving test!"

Stress!!

As many of you may have noticed, the end of the school year is a time when many people are stressed!! Students, as well as teachers, are ready to get out of the school building and enjoy their summer. The yearbook contains many features on students and quotes from students, but seldom do you read any information on teachers. This feature is different in that respect. Teachers are people too, and believe it or not, they aren't here to torture us and make our lives terrible. They too count down the days until the end of school and can sometimes be heard saying, "Only one more period left," which tells us that they are just as ready to go home at 2:57 as we are. Here are some ways that teachers say they handle their stress, and we all know that one thing we are all waiting for is that first day out of school. I asked some students what their plans were.

-Brittany Voelkel
Places to go and people to see is what is on most of the student body minds weeks before Spring Break. Some just stay home and visit family and friends that they haven't been able to spend time with because they were busy with school. While others go out of town to see what the rest of the world is doing. We were able to get pictures of what some the high schoolers did during their Spring Break. These students went anywhere from Florida to Jasper for birthday parties.

“During my four years I learned of responsibility and the facts of life. Life doesn’t always go your way, so you must bend, heal, and move on. Never look back only forward. You can’t change the past, but you choose your future. Choose wisely, for once you take that step, there’s no turning back. I wish my classmates good luck in the future, and only you can fulfill your dreams.”
The Class of 2001 -Bethany Mullen
As we, the Class of 2001, reminisce about our high school years, we can remember lots of instances we laughed, and even some we’ve cried. These last four years have carried with it many ups and downs, bests and worsts. Like freshman year, when our classmate and friend, Matt Harris, was so suddenly taken from us, and the Spring Break party at the cabin. Or what about our sophomore year, when most of us had our license and were enjoying our new freedom. Or who could forget our junior year, teepeeing at Mr. Hochgesang’s house and when Ashlee Heeke stopped traffic at USI by driving down a one way? Or even senior year, there were the lunchtime & hallway waterfights and Mark’s little railroad tie ramping incident. Memories like these and many others will last the Class of 2001 a lifetime. -Audrey Schepers and Jaima Terwiske

One Friday night, Beth W., Atalie S., Kyle N., Justin Q., Adam D., and I took Justin's junky car out to go riding around in. Well, naturally the boys wanted to go ramping on a backroad where there was a railroad track. The girls were scared at first, but we decided to stay in the car. We were going so fast and we landed really hard, but it was so much fun. It sounds really dumb, but I'll never forget that night.

-Jamie Schroering
"In my four years of high school, so many memories have happened that there isn't just one that stands out. During all four years, seeing all of my fellow classmates everyday grow up and learn from them is a memory in itself. From the headaches, friendships, and even losing a classmate, we have become somewhat closer than when we started. We have gained new classmates and have welcomed them with kindness. I'll always remember I was part of the Class of 2001 at Northeast Dubois because everyone has left so many memories that will stay in my mind forever. Thanks!"  ~Christina McGee

Holiday Ball

Delayed from December 23, 2000 because of snow, Holiday Ball was finally held on January 26, 2001 at the Celestine Community Club. Mrs. Harris took her usual post at the front door passing out ballots, while other teachers and parents were spread throughout the Community Club to chaperone.

The members of Student Council, the sponsors of the dance, decorated the club with icicle lights, candles, and snowflakes. Boogie Tunes provided the music for the evening. Most of the songs that were played were by request. Robert McCarty photographed the magical evening.

The Belle and the Beau of 2001 were voted for by those who attended the dance. The chosen two were Sarah Betz and Jeremy Hopf.

Queen Crowning

The 2000-2001 Queen Crowning was held on Friday, February 23, against Washington Catholic. The ball carrier was Jesse Hasenour, son of Jack and Debbie Hasenour. The Crown Carrier was Mariah Seng, daughter of Tom and Nan Seng. The varsity basketball team mates played an excellent role in Queen Crowning, as well. Seniors Jared Vonderheide and Todd Senninger helped the Queen Crowning attendants make their way up the steps. Robert Weyer carried the roses, Eric Lueken helped with the seprot, and senior Davian Dupont did a 360 dunk with a pass from Mark Gadlage.

The seniors chose white Georgette crepe over lamour for their dresses. The grecian style bodice featured a left shoulder strap bordered with a pearl and sequin headed trim and a beaded midriff topped the flowing flaired formal length skirt.

The underclass dresses were a mango satin two piece gown. Princess style fitted halter tops with spaghetti straps were topped by the flaired princess line formal length skirt. -Ann Nathan

Prom Night
2001

The prom was held on April 27, 2001. It was held at the Jasper Holiday Inn. As couples entered the Holiday Inn, they walked over a white wooden bridge to enter a room decorated in dark blue, light blue, and silver. The tables had a circle of ivy with a bowl of colored gems inside of the circle. The tables were also accented with roses, daisies, and mums. The picture background had white lattice that was woven with ivy and colored roses. A white arch was also in the background. Andy Stetter was the DJ for the night. The last song of the night was “Every Rose Has It’s Thorn,” the prom song. The night was full of fun-filled memories for all that attended.

The night was filled with fun and games. As you walk through the door greeters would let you and than you would get your picture taken with a Hawaiian background. Some of the fun activities for the night included anything goes, hula contest, limbo contest, and all sorts of card and dice games. At the end of the night everybody could not wait to find out who was going to win the big money prize of $500. All of the suspense was put to an end when Adam Hembree’s name was drawn. As the night was coming to an end and everyone was preparing to leave they decide to give everyone that stayed an extra $10, which everybody could use. --Julie Potts

At girl's sectional game, senior Jeremy Zehr cheers on all his favorite senior basketball players.

In pep sessions before big games, the cheerleaders hold contests like "knock out" to get the spirit going. Here is sophomore John Sedam pushing to win this game.

Something New
Boys Cross Country

Adjusting to new things is something that the team had to get used to this year. Coach Betz was hurt over the summer, and had to be in a wheelchair, or crutches for most of the season. Since he couldn’t run with the team, like he has done in his past years of coaching, he rode a 4-wheeler along side of the team during meets, and practices. Even though he was hurt, that did not stop him from encouraging his team to perform their best, day after day. Betz said, “they are a great group to work with, they have great attitudes, and are working hard.”

This was proven during the season. Hard work led them to placing 1st in the Blue Chip Conference, 2nd in Sectional, and 3rd in Regional. - S. Betz, J. Potts, and C. Denu

Hanging On

Varsity Volleyball

Starting out fresh with a young team, the volleyball players pulled together to overcome obstacles to make each player better. They not only came together to form a team, they came together as friends to make the season fun. They worked hard to face challenges and to meet goals. The varsity team came into practice everyday, practicing two to two and a half hours, and they never gave up trying.

The team always sets goals at the beginning of the season. One of the major goals they met this season was defeating Medora, a major rival, in the regular season. -Christa Voelkel, Dana Gehlhausen

Fresh Start

JV Volleyball

Having such an abundant number of players this 2000 season, the Junior Varsity volleyball team had an advantage. A great variety of talent was displayed by each of its players. Because of the array of underclass talent, the Junior Varsity team strived to do well against some of the harder teams in the area.

The hard work and determination of these girls was not shown by their season record. Most of the Junior Varsity games went three sets. These girls never gave up fighting for a victory until the last point was served. The Junior Varsity team was coached by Laura Terwiske. We commend each of you girls for the hard work and effort you put into this season.

Girls Tennis

The Girls' Tennis team consisted of two juniors, four sophomores, and three freshmen, which caused some problems with experience. The young talent resulted in the team having a season ending record of 2-15. Coach Tina Terwiske said, "We had a tough time this year because we didn't have the experience that we have had in years before. Hopefully next year we will have a better season once some of the girls get more experience." Stephanie Cave had the best personal record for the team during the regular season with a 7-7 record. The girls finished the season 0-6 in the Blue Chip Conference. Next year's season has a positive outlook for the girls because all of the top players will be returning.

Marching Band

The Northeast Dubois Marching band was under the direction of Donovan Pennington, Guard Instructor Renee Voegerl, Percussion Instructor Lance Larey, and senior field commanders Lori Breeding and Christine McGee. The show was based on the movie "Tarzan". The music consisted of four songs: "Two Worlds Collide," "Trashing the Camp," "You’ll Be in My Heart," and "Two Worlds Finale."

The Marching band started at the end of July with band camp. The band put in many early morning practices throughout the season. Showing off their marching skills, they participated in the Strassenfest Parade, as well as the Fireman’s Parade.

To show their thanks, appreciation, and support, you can always see the band perform at all the home basketball games.

From all the band's hardwork and dedication; they received a Division I rating at District advancing to Regional. The band showed many improvements throughout the season. Mr. Donovan Pennington states, in the Herald Newspaper, "It was by far a much better show than we've ever done in a long time. It was probably our best performance in the last three years. The kids carried it through, not only mentally, but emotionally."

Assisting with band camp were assistant guard instructors Holly Weyer and Holly Stafford and helping with woodwinds and drill was Joey Boyle.-Kim Scheiners, Annie-Nathan

Champions

Once referred to as the "floor general" by a radio announcer, senior Mark Gadlage did indeed take charge of the court this year. He was not alone in leading the team however. This year's team consisted of seven seniors, a handful of juniors, and a sophomore. The team ended the season with a strong 18-7 record, which included a Tip-Off Classic and a sectional victory. The key to their success was their depth and their defense.

"Expect the Unexpected" was the motto of the Girls' Varsity team. Returning were three seniors who knew that they must take charge with the loss of five players from the year before. With a rough start, the team managed to take control in the late season, ending with a record of 11-13. With this accomplishment came another sectional championship and the opportunity to compete in the regional game in their home gym. Teamwork was definitely a strong point.

J. Potts, S. Betz, B. V. Celkel

"Time to get serious" is the expression on sophomore Cori Vaal's face. Cori started for the varsity team and was a great contributor to their success.

"What time is it? Game Time!!!" You would often hear this chant from the Girls' Varsity team before a game.

Senior Robert Weyer knocks down another trey, but this was nothing unusual for him. Weyer was a three-point machine, and he even tied the school record for most three-pointers in a game with 6.

Playing with Heart

Girls’ Junior Varsity Basketball

The Northeast Dubois Girls’ Junior Varsity Basketball team ended their 2000-2001 season with a 14-6 record. They established consistency and teamwork. Diane Schnell, the Junior Varsity Coach, said, “They are an excellent team and played with a lot of heart. We had a lot of close games, but the girls put forth a great effort to get the win.” Dedication and team unity helped us a lot in the tough games.” The team ended the season with a 5-2 in the Blue Chip Conference. Next year the team will also have seven promising freshmen returning to give the season a positive outlook. -Audery Scheper & Ashlee Heekoe

Boys' Junior Varsity Basketball

The Boys' JV Jeeps ended their 2000-2001 season with a 9-11 record. The competition this year was very tough. “We lost a few that we shouldn’t have. We had a lot of close games. I think that next season has a definite positive outlook.” said Coach Ryan Case. The boys gave it their best shot. The Jeeps had a great victory over Southridge on January 9 by beating the rival with a 7 point win. The boys practiced hard to succeed and received positive results for their efforts.

Playing basketball in high school can be a little more difficult than what we remember from Elementary, and Jr High. More practices, hustling, and rebounding is what it takes to win. When you are a freshman, you always want to do your best in hopes that you will receive playing time on the JV team.

Although they did not win the tourney, the freshmen basketball team still had a winning season. They finished with ten wins and four losses.

-Cheri Denu

"We learned to work as a team this season, and had a lot of fun along the way"
-Tyler Wineinger

Tyler earned the Freshmen freethrow award for the 2000-2001 season

Waiting for the shot to go up is Freshman Matt McGee. Rebounding can be the key to winning a game.

Cheerleading

The cheerleaders started their season by competing in the Dubois County 4-H Fair and placing 2nd. They later attended an NCA Cheerleading camp at University of Louisville. Two of the squad members made the All-American squad: senior Jennifer Humbert and junior Leslie Friedman.

The cheerleaders put in many practices and hard work into their successful season. The girls decorated lockers, made hoops for both girls’ and boys’ games, competed in different competitions, and helped put together pep sessions.

They were also involved in different camps this fall for the elementary and middle school students who were interested in becoming cheerleaders. -Kim Schepers & Jessica Gutgsell

Coaching for their first years were varsity coach Christine Dodd and junior varsity coach Glenda Merkel.

Cheering at a Springs Valley game cheer captain Jennifer Humbert gives directions for the line up. Jennifer is our only senior on the cheerleading squad.

Cheering on the crowd at a home game is varsity cheerleader Rachel Cartwright. This is Rachel’s second year on varsity.

Making a Splash

The 2000-2001 swim team was a combination of experience and newcomers. Not only was it the first year for many freshmen, it was also the first year for a number of seniors. This was also the first year the girls’ have had a diver. Ambra Wible has paved the way for future divers. Diver, Adam Hopf, broke the boys’ record.

Coached by Rod Peek and Corky Emy, the team broke nine records in the last home meet alone. Jon Pankey & Jamie Schroering both broke the records in the 50 and 100 yd. freestyle races. Other record breakers are Ashley Smith, 200 i.m., Janelle Schroeder, breast stroke, Adam Scherle, 200 i.m., and Brent Hall, back stroke. There were also relay records broken. This was definitely a monumental year. - T. Beckman

Taking a break at the Southridge swim meet is senior Adam Scherle. Adam was the only person on the boys’ team brave enough to swim the 200 yd. individual medley.

Swimming together all four years of high school are seniors Ashley Smith and Jamie Schroering. Ashley and Jamie both have broken multiple records.

Performing one of her many dives is freshman Ambra Wible. Ambra is the first ever female diver for Dubois.

Cheering on the girls from the sidelines are senior Ian Dent and junior Jon Pankey. Ian and Jon were both important parts of the swim team.
Diving off the blocks is senior Ian Denu. Even though this year was Ian’s first on the swim team, he was part of the record breaking 400 yd. freestyle relay team.

What is the best part of being a member of the swim team?

Jon Pankey
“The best part is getting to watch the girls.”

Jamie Schroering
“The best part would definitely be finishing in first place in my freestyle events. Besides that, it would be making new friends and having a great coach, Rod Peek, to help me over the years.”

Adam Hopf
“Joining the swim team this year was very fun. I had a blast with my team and coaches. It was a good experience.”

Being honored are seniors Justin Huelsman, Joni Schroering, Adam Hopf, Jamie Schroering, Ashley Smith, Adam Scherle, and Ian Denu.

The baseball season was one of new beginnings. The Jeeps had a number of underclassmen on the team, with five freshmen splitting time between J.V. and varsity. The five were Galen Starrs, Matt McGee, Luke Stemle, Joel Terwiske, and Clayton Ziegler.

The team wasn't lacking leadership either. There were five seniors on the team as well. Ian Denu, John Neukam, Adam Hopf, Clint Brosmer, and Mark Gadlage were there to lead their team through their last season.

Junior Cody Ziegler was a powerhouse this year. He broke the school record for the most doubles in a season. He also hit a number of home runs. In fact Cody tied for the school homerrun record with eight home runs this season. - T. Beckman & C. Voelkel

Varsity & JV

The 2000-2001 softball season brought about a great number of changes. A new person was added to the coaching staff. Many freshmen were added to the team.

Assistant coach Tammy Lampert was added to the coaching staff. She brought in a new perspective to the game. The seven freshmen brought new life to the softball team.

Another addition to the team this year was senior Atalie Schroering. Schroering hit the first home run in the history of Northeast Dubois softball. The girls also won a game by the ten run rule. This was also a first for the team.

As a young team the girls worked hard to have a 6-21 season which is their best season yet.

State Qualifiers

Track

In the 2001 track season was just like any other. The average track season usually consists of wins, wins, wins. Although the girls lost three state finalists from last year, they somehow seem to keep up their record. Without the long practices and hopeful coaches, these teams would be lost. In most practices, all the runners have to run more than they usually have to do in a track meet.

In Conference action, the girls placed second, and the boys got a spectacular first place finish.

The lady Jeeps got a third place finish at Sectional. On the guys' side of things, the boys placed second overall.

The girls had twelve people going to Regional, and the boys had eight. The girl's 3200 relay team advanced to state. This is the first time any relay team has qualified for state. Runners were seniors Abby Laux, Sam Rasche, Sarah Betz and Jayme Munday. -Holly Burton and Dana Gehlhausen

The Jeep's number one hurdler, junior Brandy Merkle, is seen here warming up before a big meet.

Standing off to the side, during the four hundred meter, is freshman Luke Friedman.

Sophomore, Josh Sanders, throws the shot put every meet during track season.

Junior, Clint Carie, stays at the head of this pack of runners during a very close race.

Running in the 3200 relay, is senior Jayme Munday. This relay, made of all senior girls, advanced to state.

Mr. Mill commented on the team by saying “This group was fun to work with. They played very competitive with almost everyone they played.”

The senior Spell Bowl members have been an essential part of the team’s success for their four years.

The team’s top speller, junior Kathy Frick, contributed a perfect score at almost all of the year’s competitions.

Giving sophomore Kirby Frank some advice before the competition is coach Connie Himmell, who spent hours studying with the team.

The team studies together as they wait for the Blue Chip competition to begin at South Knox.

...nine of the eleven first place finishes were consecutive...

Breaking Records

For the 14th straight year, the Northeast Dubois Spell Bowl team spelled their way to the state competition. Not only did they compete, but the team placed in the top three in class AAAA every one of those years. Of the fourteen state appearances, eleven ended in state championships, twice they came home runners-up, and one third place finish was earned. If this isn’t impressive enough, nine of the eleven first place finishes were consecutive, making them the only team to have ever accomplished this feat—in any class. The team was made up mostly of juniors. However, the three seniors made their presence known. Mark Gadlage gave Mrs. Himmell a few gray hairs while messing up the hair she already had. John Neukam relied on his yearly tradition of staying up until three in the morning to learn the words the night before the competition, and Quintin Merkel was made famous by his blushing personality. The team definitely won’t be the same without the three of them. With a history like this and so many returning members, this team will certainly continue its ongoing success! -Tina Beckman & Brittany Voelkel
...many great performances...

Academically Inclined

The Academic Bowl teams once again completed a successful year. Early morning practices and Mr. Schipp's donuts were a few things that helped with the team's accomplishments. The teams competed twice this year - once at South Knox and again at Washington. The Blue Chip Conference was held at South Knox on March 15. The Social Studies team placed second with 14/25 points. At Washington there were many good performances. The Fine Arts and the Interdisciplinary teams both placed second. There were also three first place finishes at Washington. They were brought in by the English, Science, and Math teams. The teams were led by three seniors - Mark Gadlage, Christine Hasenour, and Adam Scherle. These three brought experience and confidence to the 2001 Academic Bowl teams. The teams were coached by Mr. Schipp, Math, Mrs. Harris, Science, Mrs. Parr, Fine Arts, Mrs. Gabbard, English & Fine Arts, and Mr. Riley, Social Studies. These teachers spent many hours preparing the teams for competition.

Changing Administration

Mr. Kerby retires, Mr. Balka becomes Superintendent, and Mr. Chapple moves up to Principal.

Superintendent Dan Balka
Mr. Balka served as Assistant Superintendent until January 1 when former Superintendent Richard Kerby retired. He is now licensed and serving as superintendent.

Mrs. Ruth Leistner
Treasurer Ruth Leistner’s responsibilities range from attending board meetings to balancing books, along with many other tasks.

Mrs. Kathy Klawitter
Mrs. Klawitter serves as Curriculum Director. Some of her responsibilities include writing grants and professional development.

Mrs. Kelly Seng
As Deputy Treasurer, part of Mrs. Seng’s job includes invoicing bills, working on payroll accounts and assisting Ruth Leistner with insurance.

Principal Phil Chapple
When looking for our new principal in his office, one can rarely find him there. "I don’t like to sit at my desk," says Mr. Phil Chapple, who is replacing Mr. Dan Balka as our school principal. Mr. Chapple has been our agriculture teacher and FFA leader for seven years and is always on the move.

Mr. Chapple says working with all the students is the best part about being principal. Knowing everything that needs to be accomplished seems to be the most difficult part of his job. His main goal as principal is "for all students to get a good education and feel safe." -Jessica Gutgsell

School Board Members: Mrs. Carol Pesoahn, Mr. Ralph Lueken- President, Mrs. Mary Pankey-Vice President, Mr. Dan Balka-Superintendent, Mr. Maurice Schroering, Mr. Gene Bonifer-Secretary.

Show Choir

The 2000-2001 show choir class is a talented group. The class worked hard to put together entertainment for the entire school and the community. The class consisted of five seniors, ten juniors and one freshman. They put on performances at basketball games, convos and graduation. But the most challenging of all of their performances was the famous Blacklight show. Throughout the year the class prepared for each event, but their most challenging feat comes in the the spring. Every Spring the class begins preparation for the blacklight show. This show combines the talents of each of their class members, to create one show for the entire community. The Blacklight show was titled the “Spring Jive.” This year a performance was done by senior Ashley Smith and her sister Farrah Allen. The class sang music from “Phantom of the Opera”, and “Angel of Music.” - C. Voelkel

"This Is A Test"
Drama Class

In its second year, the drama class under the direction of Mrs. Gail Cartwright, performed the short play, "This Is A Test". The play was written by playwright Stephen Gregg and performed on Friday, March 23 before spring break. Two performances were given, the morning show was for the high school, the afternoon show was for the middle school.

The play was a spoof about a student, Allan Lessenfeld, who was faced with the nightmare of taking a test, not knowing the answers and the rest of the class obtaining the answers, how should we say, by illegal methods.

The play had its humorous parts when part of the test was in Chinese and when Allen ended up losing answers and not finishing up the test due to daydreaming.

All fourteen members of the class had a part in the performance. Freshman Jillian DeKemper played the part of Lois, seniors Jade Hall was Evan, Robert Weyer portrayed Pat and freshman Nate Hopf played Chris and sophomore Rachel Cartwright was the hidden "voice" on the microphone. Behind the stage and providing the stage lighting was Mrs. Cartwright.

-Annie Nathan

Taking issue with the other students for cheating is senior Mark Gadlage portraying the student "Allan Lessenfeld".

Mr. Williams, being characterized by sophomore Clay Cummins in the play "This Is A Test".
Waiting for a chance to talk to Mrs. Parr are seniors Brooke Merkel and Stacy Petry. They are the editors.

Cropping, photos are seniors. Audrey Scheipers, Ashlee Heeke, Julie Potts, and Jessica Gutgsell.

Sorting through pictures are senior Sarah Betz, juniors Kim Scheipers, and Dana Gehlhausen. The class spends a lot of time picking out pictures of the various events that happened around school.

Consulting the advisor, Mrs. Parr is junior Annie Nathan. Mrs. Parr spent many late nights working on the yearbook.

Working on a computer are juniors Adam Mehringer and Jacob Neukam. These two were the ‘Kings of Digital’.

“Yearbook class was a new experience. Despite the fact that it was a challenge, we managed to get everything done.”

-Holly Burton
The 2000-2001 yearbook is titled “Organized Chaos”. At the beginning of the year we began searching for a yearbook title that could sum up or school. While we were doing this we noticed the differences and the similarities of our student body. Therefore we decided to use oxymorons throughout the yearbook. The oxymoron we used for echo staff is “Sight Unseen”. We chose this because there are so many things that you don’t see the echo staff do each year.

When yearbooks are handed out in the fall, students don’t realize the hard work that was put into it. Each page of the yearbook takes days to weeks to produce. The layouts are produced by computer, using Pagemaker, and for the first time the staff chose to use digital photos. The class comes together each day to meet deadlines and create the layouts you see throughout your yearbook. -Christa Voelkel
Originally Unique

A new school year brings new people with different identities. Living in such a small area can make this either a positive or a negative. Inside of our small student body, lie many original individuals, as well as unique.

Everyone has ways of showing that they are unique. Some people have the love of art, and use it in their everyday lives from drawing, to sculpting, to the way that they dress. Another way that we show our personalities is by our musical talent. A large number of the people in our school choose to show themselves by playing drums, guitar, or singing.

Not everyone has a natural talent, but choose to carry on traditions of the past. During sectional time, our student body shows their originality by dressing up to show support for our school. -C. Denu

Expressing how great they have it as a couple are senior Kyle Meredith and freshman Grisla Betz. Kyle and Grisla both have a talent for drawing. Kyle also has a musical talent, playing the guitar.

Putting on her scrubs for Health Occupations class is senior Beth Wigand. Beth plans to pursue a career in the health field after graduation.

Carrying on the tradition of school spirit at Northeast Dubois is senior Kyle Neukam. The student body tries to always do their best to show that they are behind their team 100%.

Sam, We’ve never known too many people that enjoyed life as much as you and been willing to take chances no matter how dangerous. The Lord Jesus has been with you since birth, so remember what we’ve told you. If it’s not illegal or against His will, then do it. Don’t worry about the pain, He will get you through it. “We’ll always be proud of you.”

Phil. 4:13  Love, Mom, Dad, and Thomas

2000-01 Jeeps

Girls Varsity
Back to back sectionals x two and you have four consecutive titles for the girls varsity along with two regional trophies(1999,2000). What an awesome record for five year varsity coach Beth Neukam! The Lady Jeeps defeated West Washington (44-33) at Springs Valley, Crothersville (55-41) and Springs Valley (58-53). Coach Neukam has resigned her coaching position after coaching varsity and JV for a total of ten years. Thanks to her and Coach Diane Schnell for all their hardwork and dedication to make winning a sectional now a tradition at NDHS!

Boys Varsity
They were the first boys team in the schools history to win two consecutive sectionals. Last year’s team won the sectional by defeating Springs Valley (52-40). This year’s team won three straight games on the way to the Southridge Tip-Off Classic Champs beating Jasper and Heritage Hills in the final game (69-52). The Jeeps came away with seven straight wins to go into the sectional with a 12-6 record and a 3-3 Blue Chip record. In sectional play the Jeeps defeated Crothersville (74-46) at West Washington and West Washington (49-45). The final game to win the sectional title was a win over Orleans with a score of 61-30. The Jeeps had a thirteen game win streak, winning every contest for more than two months.
For the first time in our schools' history the boys' basketball team won back to back sectional titles. The Sectional conquest dealt the Orleans Bulldogs a defeat of 61 to 30.

As the school year comes to an end we reflect on the accomplishments and the fun we had in achieving them. For the first time in our schools' history the girls 3200m relay team qualified for state. Our girls basketball team for the fourth straight year won the sectional title. The Senior class had a tie for Valedictorian with a perfect 4.0 for the first time since 1966. The marching band qualified for regional. Whether you attribute these successes to ORGANIZED CHAOS or RANDOM ORDER. We feel that our school has its unique personality with being a small school. Combining forces with teachers, students, friends, and community has resulted in a TERRIBLY NICE 2000-01 school year.

Being the only student to compete in the BPA nationals is freshman Eric Lampert. The nationals took place in Anaheim, California. Eric also had to watch the road while driving at Walt Disneyland.

Receiving the scholarship from Fifth Third Bank and WFIE 14 is senior Joni Schroering. Sharing in her twin sisters surprise is senior Jamie Schroering. Seeing these two sisters together has been a familiarity for the last four years.
