A New Shade of Blue
At the beginning of each year, each student has expectations about the year to come.

**Freshmen**
are generally nervous about entering high school. Upperclassmen, homework, and teachers are all things they tend to worry about. Throughout freshmen year you meet new people, creating friendships. You join clubs and sports, and realize and take advantage of your freedom.

**Sophomore**
year you have a better overall idea of what high school is about and you know what teachers expect of you. You look forward to getting your license and establish your group of friends.

**Junior**
year you begin to prepare for your life after high school by taking vocational classes, the SAT, or ACT. You look forward to your first prom, and begin to take the role of leadership that is expected of you the following year.

**Senior**
year is the end of the beginning. You start off by worrying about college applications, scholarships, and future plans. As you look forward to prom and graduation, senioritis kicks in as you long for the end of the year. You soon realize that this is your last year with your classmates and begin to treasure your memories and time spent with them.

Each year you anticipate something different, each year is a *NEW SHADE OF BLUE*.

Senior Yearbook Editors Heather Hasenour, Nicole Schepers, and Jaleigh Minton
"The first sleepover I went to was at April Schepers' house and it was like to girls and we got so scared we locked ourselves into a bathroom because it didn't have any windows."

Freshman Jordan Kleinheiter

"On my first day of high school I remember being nervous about being a freshman and confused about where I was supposed to go. I remember being scared to death of Mr. Schips."

Junior Nathan Lampaert

"My first piercing was my ears for my 9th birthday and I cried and the 3 year old was getting hers done too and she was laughing."

Senior Jaleigh Minton

"My first kiss was with Laine Friedman at the Valentine's Day dance in the 7th grade."

Juniors Laine Friedman and Ben Gessner

"My first speeding ticket was three days after I got my license and we had an Easter party. When I got ready to leave for work my dad told me to drive slow. Well I was driving down the highway towards Spring Valley going about 75 mph in a 45 mph zone. Jammint to the Eagles Hotel California in my '99 Beretta. When I spotted a cop coming straight at me. He totally did a U-turn on the highway to turn around and pull me over. I started bawling and when he asked me questions he couldn't understand me. I ended up getting off with a warning. When I turned the car back on, Hotel California was still playing."

Senior Brooke Reuber

"My first vacation was to visit my aunt in Pennsylvania. My mom, my aunt, my brother, and three cousins were in a van together. My aunt was driving and got pulled over. She and my mom thought we were all sleeping so they weren't going to tell anyone, but I ruined it. When we got there I said, 'We'd have gotten here sooner if the ice cream man hadn't pulled us over.' They had to tell everyone then the real reason we were late."

Junior Traci Luedken

"I lied about my first date. I told my mom I was just going out, but I went on a double date with Laine Friedman and Brad Schroering."

Sophomore Gia Terwieske

"My first concert was Rascal Flatts. I went with my cousin, Liz, my aunt, and a friend. It was awesome except the guy a few rows back spilled his beer and got our new t-shirts that were on the floor soaked."

Sophomore Jill Wagner

"One day I came home from volleyball practice and was feeling pretty crappy. My brother and my dad were sitting in the kitchen getting ready to leave to go hunting. Suddenly, my brother looked up and said 'Do you like your new car?'... My face went blank. Then dad started laughing and told me to look in the garage. I jumped up and darted for the door. There sat my dream car, a Mercury Cougar just waiting for me. I was so excited I jumped on my dad saying 'Thank you!' over and over again."

Sectional champs for the 1st time in school history!

“I have been playing varsity first base since my sophomore year and it is by far my favorite position because I love stretching for the ball and being a part of making an out quite often. Also playing with the girls on the team is very enjoyable and having a close bond with each and every one of them especially my cousin senior Amanda Jones.”
Junior Kirby Wineinger

“My favorite position is anywhere in the outfield because I like to hustle and run to catch flyballs. Being a freshman is not all that bad because all the upperclassmen are pretty nice to us “underdogs.””
Freshman Vanessa Buechlein

“The hardest part about practice is when Coach Kyle Neukam hits fly balls in the gaps and that still is not even that hard. Also the team gave me the nickname Butter because at the beginning of the year I had a hard time catching fly balls.”
Sophomore Abbie Friedman

Congratulations Crystal! We've enjoyed watching you grow and mature. Now's the time to explore the great opportunities life holds. Whenever life gets you down, remember your advice you give others. "Be optimistic, don't you be grumpy, when the road is bumpy just smile, and be happy."

Keep your fun, loving personality. You're an inspiration to those around you. Hold your head high, keep the faith and make your dreams come true. Good Luck in the future and know we will always be here for you.

Love Always,

Some lessons stay with you.

From pre-school to high school, you’re growing, learning and changing. And each step of the way, the lessons that last a lifetime are the ones that teach you teamwork, integrity, responsibility and community. Northeast Dubois High School is a great place to learn those values, and that’s why Old National Bank is a proud supporter of NDHS students, faculty and activities.

Tots and Tikes Preschool
High School...

-Somewhere between the procrastination
  ...And the homework
  ...And the incessant forwards
  ...And the friendships
  ...And the nasty cafeteria food
  ...And the calls to each other complaining about crushes
  -Somewhere between the phone calls to old friends
  ...And the "I miss you's"
  ...And the "I love you's"
  ...And the "What are we doing tonight's?"
  ...And somewhere between all of the changing & growing

-Somewhere between the classes
  ...And the skipping classes
  ...And the studying for tests
  ...And the pretending to study for tests
  ...And the downright not studying for tests
  -I forgot
  ...I forgot what high school is all about
  ...I forgot what it meant to cry
  ...I forgot that pretending to be happy doesn't make you happy
  ...And that pretending to be smart doesn't make you smart
  ...I forgot that you can't just forget the past in fear of the future
  ...I forgot that you can't control falling in love
  ...And that you can't make yourself fall in love

- I learned that I can love
  ...I learned that it's okay to mess up
  ...And it's okay to ask for help
  ...I learned it's okay to complain and whine to all your friends for a whole day
  ...I learned that sometimes the things you want most you just can't have
  ...It's the friendships which means taking chances
  ...I learned that sometimes the things we want to forget are the things which we most need to talk about
  ...I learned that letters from friends are most important thing
  ...And that sending cards to your friends makes you feel better

- But basically I just learned that my friends
  ...Both old and new
  ...Are the most important people to me in the world
  ...And without them, I wouldn't be who I am today
