Rock and roll all night and party everyday - that was what high school was all about... or wait... was it more about long nights of studying, zillion word essays and stress related breakdowns?

It’s hard to remember now. I mean, that was SOOOO long ago.

Well ok... Like, last year.

But who wants to take the trouble to remember all of that anyway?

And that’s where we come in.

We’re your handy-dandy yearbook staff and we’re here to remind you of what high school was ALL about for you. So, whether you rock it like Keith Richards or all you need is love - like John Lennon - we made this book to remind you of your high school soundtrack!

Now... what’s a soundtrack? A soundtrack is a playlist that appropriately fits all of your personal moments. Everyone has them: those defining moments where you SWEAR the theme song of your life should be playing. So why shouldn't it?

We’ve used music as our theme, because everyone can relate to it - and it means something different to everyone: just like the High School experience. And as a fun twist, we’ve subtitled all of the sports and clubs that you know and love with fun song titles.

Innovative? We know.

So, you might be asking: "What’s on my soundtrack?"

Well... only you know.
Teacher's Pet

Everyone knows that all teachers have pets... students and animals! We all know the student pets - but what about the animal pets at home? A lot of teachers have them but you might be surprised which teachers have what pet, why they have that pet and how that pet acts. We have decided to give you some insight on the life of a real teacher’s pet.

"Baxter is a kind of mean dog, but with me he is very loving and protective. Plus he gives high fives, which is pretty sweet." -Mrs. Fawks

"I have too many to name—oh, you weren’t asking about student pets?" -Mrs. Mitchell

"Kyle Brettwieser is my student pet. He prefers me kindly." -Mrs. Schmitt

"My dog, Panhead, steals things out of the car when the door is open." -Mrs. Weininger

"I have a curly, black schnoodle named Holly. She likes to chew. She bites the nose off of her toy Hedgehog (Huggie)." -Mrs. Jacob

"My dog’s worst habit is that he wants to get the trash out of the trash can." -Mrs. Steckler

"As a teacher, I enjoy fishing as she takes a break from HS.

"Heroes was the theme of BPA this year. Everyone has a hero, and this year, every member had the opportunity to vote for who they thought was their "hero" of the club. Elle Hummert was chosen and was recognized at State. Every meeting had the "hero" theme from the songs that played, to the movie clips that were shown from the more famous heroes. Without a doubt, this years State Leadership Conference was sure to inspire and to be remembered.

What was your favorite part of BPA this year?

The set list this year for the NDHS Band revolves around the movie Moulin Rouge. "Diamonds are a Girl's Best Friend," "One Day I'll Fly Away," and "Rhythm of the Night" made up the dazzling and unique show that the jeeps put on the field. Receiving a silver rating at District, the marching jeeps keep building up the program year by year. This year, the marching jeeps were lucky enough to have brand new uniforms by district. Goodbye to the old, boring uniforms and hello to the shiny, bright, new, visually appealing and school spirited uniforms. This season for the marching jeeps is sure to be on their high school soundtrack.

Have you named your instrument? "My trumpet's name is Jupiter because my trumpet's brand is Jupiter."

What was your favorite coutner this year and why? "I would have to say that my favorite coutner is "Diamonds are a Girl's Best Friend" because my instructor took lots of time with it, and it was the one that I felt most confident to perform."

To me, “Even Don’t Fall” by 8 October For My Valentine is a very powerful song. It’s not a song that would cheer you up, but it’s one you can relate to when you’re down, and I think songs you can relate to are some of the best when you’re feeling down.

—William Cataray (12)

The song that inspires me and I think others should listen to is “If I Can Dream” by Elvis Presley. It helps me because the meaning of the song is if you can dream it, you can do it.

—Elle Harnett (12)

I would suggest people to listen to “Stitches” by Halsey. It’s a song that makes people realize you are worth way more than what other people make them feel.

—Nate Eddy (10)

“Been This Way” by Lady Gaga has the message that no matter what race you are, what you look like, or where you came from, you can do anything you want to be.

—Abby Lukes (10)

A song that helps me is a song by Rodney Atkins, called “If You’re Going Through Hell.” It shows that if you are going through hard times, keep pushing forward and you will get through.

Student Council Memories

I was able to get involved in the Student Involvement Committee, announce at Pep Rallies, and was able to enforce music on Fridays.

"The group that I had this year definitely took more ownership than any other group I have had."

28 Student Council
Student Council took a different direction this year. Instead of just choosing officers, there was an official campaign. Instead of the usual pep rallies, they took a different approach. All of these changes came with a great group of students. Everyone’s ideas came together in the end to make a great year full of exciting events—Holiday Ball, numerous Pep Rallies, and tons of dress up days. These are the things that make the school year memorable. Pep Rallies didn’t just include sitting through boring speeches; this year everyone got involved. From boys basketball players’ moms sneaking in to steal a kiss before sectional, to the Winter Percussion performing their award-winning show, this year was full of great changes.

“Decorating the bathrooms for Holiday Ball was a blast! They looked so pretty!”
Lori Vonderheide (12)

“Matchmaker. That was awesome!”
Madison Rasche (11)

“Doing the announcements with Wes was a lot of fun. Also, singing “Stu’s Song” at one of our pep rallies was cool.”

"Winter Percussion season is my favorite time of the year. It's so awesome how everyone is three parts because they want to put the time and effort into creating such a unique and crazy show. I can't even describe how much I love it!"

Whitney Mehrtiger (10)

"The whole Winter Percussion experience is amazing. With this season's performance, we're bringing a new and different theme to the show. We didn't make it to state, but the show was B.O.S.S, and everyone loved it!"

Jovan Navarro (10)

"After everyone was done performing in our first competition, Chad needed to pick someone to go down to the floor along with all of the other bands to accept awards. Even though we had no idea what was happening, he chose us because we were the only ones in full costume and we didn't expect to get any awards. That was a big deal because we ended up getting third place. We were holding the trophies while everyone else was asked to set it on their feet like they were supposed to. We stood casually while everyone else stood formally at parade rest. To this day, we still don't know what parade rest even means. It was really tiring and even though we felt ridiculous, Chad's hug afterwards made it all better!"

Here’s an Exclusive Look Behind the Curtain of some of the most interesting things in school

‘The Shoe Tree’
The Shoe Tree is a tree along the cross country course with its branches full of shoes. It is a tradition - running on its fourth year - for senior cross country members to throw their shoes into its branches. Though it was started by Lucas Hobson and Dustin Betz, it is being carried down from year to year.

“I threw my red and gold flats up there. They look pretty sweet when the sun shines on them.” Says this year’s senior, Josh Genet.

‘The Round Table’
Have you ever noticed the table in the library? The one with all of the senior’s pictures. Of course you have, but have you ever wondered how that started? Its simple, yet, unknown story. It started when students started giving their senior pictures to Mrs. Himel. Eventually she accumulated so many that she ran out of places to put them. Ergo - the senior picture table. Mrs. Himel stores all of the past year’s photos in a drawer - some date back to the early-eighties! Though vandalism is low on the table, Mrs. Himel admits that “sometimes pictures disappear.” Though the pictures sometimes vanish, we hope that the tradition won’t.

‘The Milk Mile’
The Milk Mile is a NUTS tradition that was modeled off of similar events that are commonly held at colleges. Started three years ago, the milk mile is a fun event with very simple rules: every participant must drink a half gallon of milk while running a mile, the milk must be finished before the mile is up, and if you ‘spill the milk’ in any form - you’re disqualified.

"Coach Betz was a great coach." - Wes Knaes (12)
Josh Genet was one of the most outstanding runners in the history of our high school. He broke numerous records and defeated many top runners in the state. His running career started as a child. He says, "When I was young, I was rather energetic, so my parents would tell me to go run around the house 20 times, and I did." He then continued into his running career when he got to middle school. He ran from 5th grade all the way until his senior year, improving each year. Eventually, he became what he is now. His favorite thing about Cross-Country was Coach Vic Beta. He also likes how it is an individual sport, but you can also have success and a huge sense of comradery with your team. "You don’t have to have the right last name to be able to compete," he says. His most memorable moment of all of his years of running was being selected to represent Team Indiana in the All-Star meet and getting the opportunity to meet all of the other runners. He has true talent and passion for running. We wish you luck in the future.

2011 Senior Prank

Twas the night before Graduation and all through town, not a creature was stirring, not even a sound. The signs were hung on the school with care. In hopes that faculty and students soon would be there.

The seniors were nestled all snug on the top of the stairs. While visions of graduation danced in their cares. Mr. Gladish in his kerchief, and I in my cap had just finished finals for a long summers gap.

When out on the steps there arose such a clatter, students sprang from their cars to see what was the matter.

The walls, doors and windows had been covered fast, all seniors took part, there was even a shopping cart.

Now Ms. D! Now Ms. J! And Mr. Verble too, the seniors have given a shout out to you. We sprang to our feet, to our class there was a whistle, and away we all flew like the down of a thistle. To hear him exclaim in the first mornings light, "Congratulations class of 2011 and to all a good life."

RAWR!

Deep in the wilderness of Northeast Dubois High School there is always an adventure waiting to happen. The students here work together, eat together and play together. It's only natural that sometimes things get a little wild. We have risked our lives to capture our students showing their barbaric sides.

Anything but Ordinary

Austin Hudson

Most Friday's, everyone in the school is eager to hear Austin Hudson speak over the intercom to give the announcements. But Austin doesn't just read the announcements, he puts on a show. Whether it's a Star Wars character impression, or his evil laugh, he definitely makes a statement! Austin started this tradition this year, and it is looked forward to by every student at Northeast Dubois High School every Friday.

Megan Wilz

Megan Wilz (10) is on her way to the top. She was inspired to start singing at the age of 5, and hasn't stopped since. She writes her own music, and is even going to try out for American Idol this summer! She started taking singing lessons 1 year ago and has participated in the High School Variety Show for 2 years. She has competed in Fine Arts with her Church and went to Nationals twice to Orlando and Detroit. Her first year of competing she sang a song that she wrote herself "Yea Beautiful" and the second year she sang "Living He Love Me"—another song she wrote herself. Megan's talents are taking her to the top!

Marcelo Silva

After going to Northeast Dubois for almost a year, Marcelo Silva (11), an exchange student from Brazil, has definitely made an impact. Whether it's reciting an impression of Mr. Vezbly or a famous actor, or playing beautiful music on the piano—Marcelo is anything but ordinary. Marcelo has been playing the piano since he was 5 years old, coming from a very musical family. He had the honor of playing the piano at Homecoming, where he played "Hey Jude" by The Beatles, "DJ Caught Us Falling in Love" by Usher, and "Halo" by Beyonce. Marcelo also played at one Pep Rally where he played the piano and sang "Stu's Song" with Wes Knies (12) and Blake Schulties (12).

Elle Humbert

Every Friday between classes, all students at Northeast Dubois High School anxiously wait to hear what song senior Elle Humbert will choose next. She tries her best to pick different genres to please everyone musical taste. "I'm pleased when I hear students singing along" says Elle. Student Council President Wes Knies asked Elle early in the year to do this task to put more spirit in the school. It was definitely a huge success throughout the entire student body at Northeast Dubois High School!
Hollywood Holiday was the theme for Holiday Ball on November 19, 2010. It was held at the Celestine Community Club. The club was decorated with bright lights, sparkly filmstrips, and a disarray of black, white, and silver colors throughout the room. DJ Kurt Englert brought together the crowd of people for a fun night of dancing.

The Last Year for Homecoming for Mrs. Himsel and Mrs. Parr

Mrs. Himsel and Mrs. Parr have been working as an unstoppable team to make Homecoming a memorable event for over twenty years. Although they admittedly will miss parts of managing Homecoming, they were both ready to put more focus on their primary work. Mrs. Parr recalls one humorous memory. “One year a boy wore white socks and I had to trade with him. He had to wear my knee high stockings.” Mrs. Himsel remembers the more hectic times. “One year we had two queens. We had to call an old queen to borrow her crown. Everything was crazy, trying to get her flowers and everything together.” Though they will be missed, they both agree that their replacements will do a great job. “If we weren’t completely confident about them, we wouldn’t leave.” Mrs. Himsel replies.

Thanks Mrs. Himsel and Mrs. Parr for a spectacular legacy. We will miss you!

Homecoming
Homecoming 2010 was an intense, action-filled night - garnished with beautiful decorations provided by Mrs. Parr and the art club. Smashing Washington Catholic with a 63-40 win, it was a night that no one will soon forget. However this night was not without its bittersweet side. Homecoming 2010 was the last homecoming planned and managed by Mrs. Connie Himsel and Mrs. Julie Parr. Their many years of dedication to this event has been greatly appreciated and will be missed.
Prom 2011
Dream the Night Away

This year’s prom was held on April 2, 2011 at the Jasper Country Club. The theme, Dream the Night Away, was displayed through huge stars, a fountain and other dazzling, night sky effects. The event was catered by Buffalo Wings and Rings due to the school’s success in the restaurant’s annual contest. With dancing, stars, and lots of fun, prom 2011 really was a dream come true!
Post Prom

People, money, and a memorable night, these few words can describe our 2011 Post Prom. Whether it was getting quick cash in the money machine, eating the tasty food in the “dreamy cafe”, or participating in the many relay games, Post Prom was a fun time for all. But the best, the big finale, for all those who stayed until the early morning hours, was the HUGE drawing at the end of the night. So, just remember, if you SHOOZE, you LOSE!

Lori Vanderheide (12) won $85 at Post Prom. Her favorite game was HillBilly Golf.

Seniors Ellen Stubbe & Mackenzie Dorsam getting competitive at Post Prom.

4-H Royalty

Over the summer, Jan Beyke competed with some of her classmates, Lori Vanderheide and Celeste Hochgrae, to become the Dubois County 4-H queen. Jan won the title, and got to participate in many exciting activities during the county fair such as the following: tug of war, hog wrestling, and the judging of all the projects and animals.

Jan has been in 4-H for 10 years. She takes Pygmy goats, and has won grand champion with them three times. Her most memorable moment throughout her years in 4-H, is getting free ice cream from some friends at the Prairie Farms Ice Cream stand.

“Concerts are very common in Brazil. We usually have them every weekend. I like theShows when we are 1 year old. The first concert I attended was awesome. Her concert is amazing. Her concert is amazing because everyone is great. She gives her song the way she does it. I really like it. It’s true that a concert is better when everyone is there. Everyone listens to her and travels very far to see her. What also really cool is that if you buy a concert ticket, they give you a T-shirt if you have to wear that T-shirt into the concert.”

“I was born and raised in Canada by my parents. I love music and I love to see concerts. However, I don’t go to concerts a lot. I prefer to go to concerts with friends or with my family. I had the opportunity to see T-Swift in Canada last year. It was an amazing experience. I think it would be even more interesting to go to a concert with friends.”

“I have a best friend who is a huge fan of T-Swift. She convinced me to go to one of her concerts. I was excited but also nervous. I wasn’t sure what to expect. However, the concert exceeded my expectations. I had a great time and I recommend it to everyone.”

"Life forever has changed. For reasons to us unknown, God decided to call, our angel back to his home. Of course we'll miss his laughter, and his beaming face. But we have to believe, he is in a peaceful place. Do not ever forget him. Through our memories he lives on. Benton Lee Kluesner, we'll see you when we see God, called by God, back home."

"My favorite memory with Benton is when Brittany, Cole, Will, Benton and I were riding the four wheels back to Benton's house from his campsite. He kept trying to jerk us off the front, and we were afraid to tell him. He also made the bus ride to and from school very interesting. He always made everyone laugh!"

-Riley Knies (11)

"There was never a dull moment with Benny around!"

-Michaela Haschfurth (11)

"I will never forget our camping trip and you running around in your turkey costume!"

-Nicole Hasenour (10)

"There were so many memories like the time I busted my eyebrow on a caps and Benton was the first one there helping take care of me. He even taped my eye shut! I'm gonna miss him!"

-Zachary Naukam (11)

"I am always going to remember the time we were putting out Easter eggs and instead of putting them on the ground nicely, you always had to throw or roll them!"

-Whitley Kluesner (10)

"My favorite memory about Benny was when he dressed up as an Easter bunny and passed out candy to all the little kids. The kids had a great time and I think he had as much fun!"

-Shayla Knies (11)

"Peace I leave with you, my peace I give unto you; not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid.” (John 14:27) Never would we think that we would lose a loved one, a classmate. His beaming face, his joyful laughter, his bubbly spirit. The memories we have with him will never fade. Though, sometimes it's painful to know he is not here in person, we know he is here in spirit. And, when the Class of 2012 walks down that aisle to receive our diplomas, we can have assurance that he will be looking down on us. You may be gone Benton Lee Kluesner, but you will never be forgotten. Junior Class of 2012"
I've had so many fun and just plain stupid times with Benton, but my favorite was when there was a skunk at the park. I turned around, and all I see is Benton crawling across the table trying to get out as fast as he could to get away from the skunk!

-Kendall Humbert (11)

One day we decided to dress up in a Easter bunny suit and mess with our teacher. Then after running away from the husband with a gun, we decided to go back to Benton's house.

-Damon Thewes (11)

The Sunday before Benton's accident, Benton, Cole and I went to watch his uncle Keith race. The race was great and afterwards we went to go eat at the Postmilk. One of the laces that our waitress had was a fat boy fetish. Benton, liking the idea, said "I wish more girls in Dubois County had a fat boy fetish". On the way home, he knocked about 4 nuts. It ended up being one of our funniest times together.

-Craig Veikamp (11)

The funniest memory I have of Benton, is of him swinging us on a mini trampoline across the pond. This is just one of a thousand memories of Benton that will never be forgotten.

-Casey Kern (10)

I remember when we had a party at Bubba's one Friday night. After sitting on the roof for a while, we all went inside to watch TV. There were 5 guys and 10 girls sitting around the TV. Bubba was flipping through the channels and he turned on "The Terminator". He told the girls it was an action movie, when really it wasn't. It was a good time.

-Cole Witte (11)

I remember last year a bunch of us guys got up early and loaded our four wheelers up and rode down to Toprope in Pike county. When we got there, there was a huge hill! I was scared to climb but Benton told me to anyway. After I got to the top and realized I was stuck, I yelled for someone to come help me. Out of all the guys, Benton was the first one up the hill. Instead of pulling me out with a chain, he sat on the front rack and dug up the hill with Benton on the four wheeler.

-Lucas Kinder (11)
We know this school like we know the back of our...—Wait! That’s due tomorrow?

Whether it’s Mrs. Rasche telling kids not to procrastinate or Hunter Rowland (9) declaring his favorite lunch—students (and teachers) use their hands for more than holding books. Who needs a handbook when you have hands?

If Senioritis Had a Face...
The Quasquicentennial this year was one to remember. Many present and past students of Northeast Dubois participated in the Queen Crowning. Current students include Haley Terwiske, Madison Rasche, Alexa Rasche, Crystal Moore, Samantha Humbert, Kristin Helming, Cait Gladish, and Leann Dodd. The young lady that swept the judges away was senior Leann Dodd. Each individual had to compete in formal wear and evening wear and had to answer a question at random to the judges. Leann Dodd was chosen for the 2010 Dubois Quasquicentennial Queen title, and walked in the parade!
Students for a Cause

Mr. John Blemker, We Will Miss You!!
Thanks for 9 GREAT years!! Enjoy Retirement
Heaven's Very Special Child
A meeting was held quite far from Earth
It was time again for another birth
Said the Angels to the Lord above-
"This special child will need much love."
"Her progress may be very slow
Accomplishment she may not show.
And she'll require extra care
From the folks she meets down there.
"She may not run or laugh or play
Her thoughts may seem quite far away
So many times she will be labeled
"different", "helpless" and disabled.
"So, let's be careful where she's sent.
We want her life to be content.
"Please, Lord, find the parents who
Will do a special job for you.
"They will not realize right away
The leading role they are asked to play.
"But with this child sent from above
"Comes stronger faith, and richer love.
"And soon they'll know the privilege given"
In caring for their gift from heaven.
Their precious charge, so meek and mild
"Is heaven's very special child."
We Love You!

"Closing time...
Open all the doors and let you out into the world
Turn all of the lights on over every boy and every girl
You don't have to go home but you can't stay here
Time for you to go out to the places you will be from
This room won't be open till your brothers or your sisters come
So gather up your jackets, move it to the exits
I hope you have found a friend
Every new beginning comes from some other beginning's end.

...Take me home..."
