These are the Days
when all of your worries consist
of tomorrow's calculus test, or
last night's reading assignment.

These are the Days
where you couldn't wait to get to Mr.
Verble's class on lab days, finish
your art projects with Mrs. Parr, see
Jake fixing the water fountains, or
ask Mrs. Himsel for help on that
research paper that's due last
period.

But most of all,
These are the days that you will
remember for the rest of your life-
maybe not every moment or every pop
quiz- but during your high school
career there are sure to have been at
least a few defining moments. Amongst
the hundreds, there is one thing we
can all agree on though:

These are the Days!

Megan Wilz (12) led a Bible Study every Thursday morning in Mrs. Schultlies’ room. Megan discussed the importance of being a follower, not a fan, of God, and about showing Jesus to the world. Mrs. Schultlies would give students inspirational handouts to put on their lockers so they could spread the love of God and become witnesses to other students in our school.

For God so loved the world
That he gave His only Son
That whosoever believes in Him shall not perish, but have everlasting life.

God’s heart is the most sensitive and tender of all. No act goes unnoticed, no matter how insignificant or small.

God always leads us to where we need to be, nowhere we want to be.”

This & That

It took a lot of teamwork and effort to win this year's sectional, good job girls!

Some of the tid bits of advice that Haley Kinder has received from her coaches was to "Stick with what you know!"

Emily Lueken remarked that our team loves "any Pitch Perfect Song!" (L1)

One of Brynn Hoffman's goals this year was to be able to play on varsity which she did get to do. (10)

This year's team was one of the most talented teams we have had here at Northeast Dubois. They stayed positive, supported each other, and were able to turn things around and end up with a sectional championship. I was very impressed with that.

- Head Coach Terry Friedman

We would either sing or play the song "Love Yourself" in the locker room to get ready for the games.

- Jack Terwiske

"The hardest team I played was Barr-Re Bates because they had two big guys that could push us around." - Chad Hoffman (12)

Zach Betz
An interesting story from Zach Betz (12) is "I was fishing in a Canal. My dad had on ocean canal outside his house in Fort Meyer's, Florida. I felt like I had something on my line, and I could feel a slight tug. It took 2 seconds for this fish to snap my line. Shocked, I wondered how big this sucker was. All of a sudden, the figure jumped out and I was speechless to see my line was once connected to a Manatee. That was the day when I caught 4 catfish, a barracuda, and a manatee."

Gavin Howell (9)
"The first time that I got to hunt by myself was when I was ten. That is when I killed and gutted my first deer."

Austin Seng (12)
"My first buck I shot was an 8 pointer. I killed it with a bow. I shot it right in the butt when it was on the run. I looked for it for hours and couldn't find it that night. The next day, I was walking around at work and saw buzzards flying around. I followed the buzzards and there was my deer. That was crazy."

You’ve made us very proud by accomplishing the high goals you have set for yourself. By following your own standards, you’ve become an inspiration for others. You are an amazing young lady; and you will have great success in life.

Your future lies in your ability to dream. Dream big, follow your heart, and keep smiling. We love you dearly and are very blessed to have you in our lives.

Wishing you a life full of love & laughter... Dad, Mom, Logan & Taylor

Zach

You never know how strong you are, until being strong is the only choice you have. Your pain and struggles have not only made you stronger, but given you character. They’ve helped make you into the wonderful, patient, caring, determined, person you are today. We couldn’t be more proud of you— for who you are, all you’ve accomplished, and all you have yet to become.

We know you can do anything you set your mind to.

All our Love, Mom, Dad, Noah, Hannah, and Ben

“For we can do all things through Christ who strengthens me.”

—Philippians 4:13

As I Watch You Grow

Do you know how much you mean to me?
As you grow into what you will be,
You came from within, from just beneath my heart.
It’s there you’ll always be though your own life will now start.
You’re growing so fast it sends me awhirl.
With misty eyes I ask, Where’s my little girl?
I know sometimes to you I seem harsh and so unfair.
But one day you will see, I taught you well because I cared.
The next few years will go quickly by.
With laughter and joy, mixed with a few tears to cry.
As you begin your growth to womanhood, this fact you must know,
You’ll always be my source of pride, no matter where you go.
You must stand up tall and proud, within you feel no fear.
For all your dreams and goals, all before you very near.
With My love in your heart and the world by its tail,
You’ll always be my winner, and victory will prevail.
Just remember I will always love you and be here when you need me.

Love You Angelbugs,

Mom, Keone, Gavyn, Corbyn and Macey

Autographs
High school may have just been a pitstop on this long road of life, but while we were here, we sure did make the most of it. Now that the year has come to an end, it's time to go out and live your life to the fullest. Fulfill your hopes and dreams while reminiscing the good times you've had here, and always remember that right now, in this moment— THESE ARE THE DAYS.

Sincerely, your Co-Editors
